

# Custom Solutions

## Providing Safety, Inductions and Leadership Services

### Overview

AVELING ensures legislative compliance and industry best practice with over 10 years of Occupational Safety and Health experience in the mining, resources and construction industries. AVELING is one of the only companies in Western Australia able to provide comprehensive SAFETY, INDUCTIONS and LEADERSHIP services on a small to large scale. We conduct training and consulting assignments which enhance quality, productivity and growth.

As strategic partners, we will go out of our way to understand your business, your goals and your challenges.

AVELING is a Registered Training Organisation (RTO) and is accredited in WA by the Training Accreditation Council (TAC) to deliver Workplace Qualifications (mutually recognised throughout Australia).

Additional Services	
<b>Consulting</b>	We are in the solutions business, providing advice and guidance to our clients across the occupational health, safety and environmental issues.
<b>Leadership</b>	We offer the Diploma of Management, Certificate III and IV in Frontline Management.
<b>Auditing</b>	We conduct safety audits.
<b>Operational Manuals</b>	We develop safety management plans and operational manuals.
<b>Workplace Inductions</b>	We design, develop and project manage workplace inductions.
<b>E-Learning</b>	We develop online customised training and safety inductions and refreshers.
