

Assessor Skill Set

Overview

This course is suited to those who want to become a qualified assessor.

Intended for

Those who plan, organise and conduct competency based assessments in the workplace.

Learning Outcomes

- Understand assessment principles
- Conducting an assessment
- Develop assessment tools
- Participate in assessment validation

Skill Set Structure

The Assessor Skill Set forms part of *TAE40110 Certificate IV in Training and Assessment*. The skill set is delivered over three days.

Units of Competency

- TAEASS401B Plan assessment activities and processes
- TAEASS402B Assess competence
- TAEASS403B Participate in assessment validation

Certification

A Statement of Attainment for the Units of Competency outlined above from the TAE10 Training Package will be issued on successful completion and subsequent assessment of:

- Participation during course activities
- Conducting an assessment
- Completion of workplace assignments

Contact AVELING for further information about the Recognition of Prior Learning (RPL) or assessment process.
